Memo

Prepared For: Joy Schwank, Purchasing Agent

Prepared By: Joe Kaufman, P.E., Engineering Project Supervisor

Date: 03/02/2021

Subject: Cedar Ave. (2000 Block) Sewer Project: IFB-21-009
Recommendation to Award Contract

We have reviewed the one (1) bid package received for this project on February 23, 2021 and have deemed the bid to be responsive. M. L. Albright and Sons submitted the bid as shown in the attached itemized Bid Tabulation.

I recommend the City award the Cedar Ave. (2000 Block) Sewer Project to the lowest responsive bidder, M. L. Albright and Sons for a total of \$237,780.00 which includes the base bid of \$184,730.00 and the bid alternate of \$53,050.00. The contractor and listed subcontractor both have current public works licenses in the State of Idaho. The total is \$5,162.00 (2.2%) over the engineer's estimate of \$232,618.00. The estimate was prepared several years ago and did not account for construction inflation.

The work generally consists of construction of 980 linear feet of new 8-inch PVC sewer collection main with manholes and service laterals including the Bid Alternate. Restoration will include approximately 1,778 SY of plant mix pavement and 165 LF of rolled curb.

Expenditures for construction and engineering for the project will be paid by the Urban Renewal Agency. They recommended that the City Council award the project after reviewing the bid in a special meeting held March 1, 2021.

The construction contract for this project is attached. Please complete the contract between M. L. Albright and Sons and the City of Lewiston. It is anticipated that the City Council will approve this contract at their next meeting.
