

Normal Hill
Cemetery &
Arboretum

State Tree Grove

1122 7th Street
Lewiston, Idaho

In 1992, students from Webster Elementary chose creating a State Tree Grove at Normal Hill Cemetery as their Arbor Day project. With their teachers and former Parks Department Director Mike Moon, 34 trees, representing 46 states and the District of Columbia, were planted. Today, the City of Lewiston Parks and Recreation Department and the Normal Hill Cemetery & Arboretum crew maintain the State Tree Grove among the hundreds of trees at the cemetery and the urban forest.

For more information, visit our website: <https://www.cityoflewiston.org/cemetery>
